### 规格参数

|            |                           |
|------------|---------------------------|
| 型号         | CN-909                    |
| 材质         | Aluminum, plastic, rubber |
| 电池类型       | Li-polymer                |
| 电池容量       | 75000mAh                  |
| 电池寿命       | Depends on usage          |
| 额定容量       | 45000mAh                  |
| 输入/出口类型及数量 | US / EU / UK              |
| 输入电流电压     | DC15V-3A                  |
| 输出/出口类型及数量 | AC*1                      |
| 输出电流电压     | 110V / 220V               |
| 电量显示       | DIGITAL LED               |
| 产品颜色       | Tarnish                   |
| 裸机尺寸       | 254*148*148mm             |
| 裸机净重       | 300*220*220mm             |
| 成品尺寸       | 300*220*220mm             |
| 装箱数量       | 2                         |
| 外箱尺寸       | 450*380*230mm             |
| 整箱毛重       | 8.7Kg                     |
| 认证         | CE ROHS FCC PSE KC        |
